Dear Mr. Keller:

I am very happy that at last there is going to be a Nash-Healey owner's club. It is long overdue. I say going to be as I am quite sure there are many owners who have waited for someone to get the ball rolling. Mr. Robert London of Aurora (also a Nash-Healey owner) and I have often puzzled over the lack of a national owners club. Bob has a 52 Fordina roadster, and I have a 51 Aluminum convertible. In fact, there are seven Nash-Healeys, counting my own and Bob's, in this immediate area between Aurora and Chicago. Three are in Aurora, one a racing special owned by Mr. Robert Clark.

Please put my name on the list of potential members.

Here's wishing you the best of luck, and if I can be of any help out here in the middle-west, let me know.

Sincerely,

Kent C. Martin
