Dear Mr. Celler;

I am very happy to receive the card on the West-Healy case, and will be most happy to cooperate in any way possible.

for your information my car is a convertible with the Jovina body # 2319, motor # 1334.

With the exception of 6:70 X 15 tires and wire wheels my car is stock.

One other minor change. I shortened the exhaust and ran it out in front of the right rear wheel.

Sincerely yours

Ed M. Carthy
