

Dear Mr. Celler: - Ret. Nash-Healey Assoc. July 1, 1958.
Thank you for your card of June 20, 1958. I am interested in receiving your bulletins. Please put me on your mailing list. I have a late 1953 Nash-Healey, with approximately 11,000 miles on it. It has never been raced and is in excellent condition. It is a convertible, Body 11911, Chassis 2294, Motor NHA 1207. I am interested in selling this car and would like to know, what in your opinion, the resale value would be. If you know of anyone who may want this car please let me know. As I understand, there were only 250 of this particular model Nash-Healey manufactured. Is this correct? Please let me hear from you at your earliest convenience.

Very truly yours,

Paul E Schreiner.
