Mr. Frederick A. Celler,
P.O. Box 413,
Cortland, New York.

Dear Mr. Celler:

Please refer to the Post Card which you sent to me, dated 6/20/58, which I received to-day, as I have just returned from a trip to your country, having being in New York up to three days ago.

Mash-Healey Assoc. I regret to inform you that I sold my beautiful Mash-Healey 1954 Hard Top Model about one year ago, as I could not take care of it, being travelling all this time from here to Europe and vice-versa.

I would like to have another Mash-Healey and if you know of any one (Convertible model, 1954) please inform me, that I am sure I will be buying it never to part with it.

Hoping to hear from you in due time, I remain,

Yours very sincerely
